Dear Participants:

The Board of Trustees of the Pipe Fitters' Welfare Fund, Local 597 for Residential and Light Commercial Service Pipe Fitters ("Welfare Fund") made revisions to the plan of benefits. The purpose of this Summary of Material Modification is to notify you of the following important changes:

End of COVID-19 Public Health Emergency and National Emergency Periods

President Biden recently announced the public health emergency and the national emergency periods related to COVID-19 will end on May 11, 2023. This means your benefits will change as described below.

COVID-19 Diagnostic Testing

The Fund has been providing coverage for COVID-19 diagnostic testing, including services and supplies related to the furnishing or administration of the test during health care provider visits, urgent care center visits and emergency room visits, without any cost-sharing.

Effective May 12, 2023, the Fund will no longer provide coverage for COVID-19 diagnostic testing without any cost-sharing. The Fund will, however, provide coverage for COVID-19 diagnostic testing in accordance with the Plan's normal cost-sharing requirements for "diagnostic services." (e.g., 80% (PPO) and 60% (Non-PPO)). Any COVID-19 testing that is not for diagnostic purposes (including but not necessarily limited to testing that is required for work or travel purposes) will not be covered.

Over-the-Counter COVID-19 Testing

The Fund has been providing coverage for over-the-counter ("OTC") COVID-19 diagnostic testing without any cost-sharing for the duration of the public health emergency. Effective May 12, 2023, the Fund will no longer provide coverage for OTC COVID-19 tests.

COVID-19 Vaccinations

The Fund has been providing coverage for COVID-19 vaccinations without any cost-sharing for the duration of the public health emergency.

Effective May 12, 2023, the Plan will continue to provide coverage for COVID-19 vaccinations, but under the normal cost sharing provisions of the Plan for other vaccinations/immunizations (e.g., PPO vaccinations covered at 100% and Non-PPO vaccinations are not covered).

If you have any questions about these changes or your benefits, please contact the Fund Office.
