Grandfather Compliance Procedures

The Pipe Fitting Council of Greater Chicago Substance Abuse Testing and Treatment Policy (Policy) allows “Employees covered and in verifiable compliance with a public and/or private substance abuse testing policy equal to or more stringent than this Policy who provided a negative drug and/or Alcohol test within the previous 180 days of selection for periodic and/or random testing from the thirty-two percent (32%) pool may be considered “Compliant” under this Policy. No Employee shall be grandfathered out of the required random testing from the three percent (3%) pool.”

To Grandfather your employees, who have been selected for a random or periodic test, please provide the following information to Paula Juengel at paula@cdsonsite.com or by fax at 866-645-6767:

1. For tests performed under the Three Rivers Manufacturing Association and the BCRC substance abuse testing programs, provide the individuals name, date of test and drug test results (negative) from the applicable program website. For Three Rivers, obtain the information from the website of the applicable Third Party Administrator that performed the test.
2. For all other tests performed outside the above programs, provide the actual laboratory test results.

If you have any questions, please e-mail Paula at the above address or by telephone at 314-645-5577.
